

REMARKS

The specification has been amended to improve English language usage and to add section headings and to eliminate reference to claim numbers.

The claims have been revised in U.S. style.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Asst. Commissioner for Patents, Washington, D.C. 20231, on August 29, 2000.
